SECOND INTERVIEW SUMMARY

Mail Stop AF
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

On January 27, 2005, Applicant's Representative, Sam Haidle, conducted a telephone interview with Examiner Allen Flanigan.

Claim 1 and the 116 Amendment that was filed on January 26, 2005 were specifically discussed. The Examiner indicated that the amendments to claim 1 in the 116 Amendment of January 26th would overcome the current rejections. However, the 116 Amendment will NOT be entered because an additional search would be necessary. In fact, the Examiner conducted a cursory search and indicated that the new amended claims would not be allowable in light of the new references uncovered.

The Examiner also indicated that amending claim 1 to incorporate any of the allowed subject matter would place the application in condition for allowance. In order to obtain an allowance for the subject application, Applicant has amended independent claim 1 to include the allowable subject matter of dependent claims 10 and 11 in an accompanying § 116 Amendment.
